THE GOVERNOR:

Secretary of State

Assistant Secretary of State

THE WHITE HOUSE
WASHINGTON

September 30, 2004

The Honorable Michael D. Brown
Under Secretary
Emergency Preparedness and Response
Washington, D.C. 20472

Dear Mr. Brown:

I have determined that the damage in certain areas of the State of Kansas, resulting from severe storms, flooding, and tornadoes on August 27 through August 30, 2004, is of sufficient severity and magnitude to warrant a major disaster declaration under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. §§ 5121-5206 (the Stafford Act). Therefore, I declare that such a major disaster exists in the State of Kansas.

In order to provide Federal assistance, you are hereby authorized to allocate from funds available for these purposes, such amounts as you find necessary for Federal disaster assistance and administrative expenses.

You are authorized to provide Public Assistance in the designated areas; Hazard Mitigation throughout the State; and any other forms of assistance under the Stafford Act you may deem appropriate. Direct Federal Assistance is authorized, if warranted. Consistent with the requirement that Federal assistance be supplemental, any Federal funds provided under the Stafford Act for Public Assistance and Hazard Mitigation will be limited to 75 percent of the total eligible costs. If Other Needs Assistance under Section 408 of the Stafford Act is later requested and warranted, Federal funding under that program will also be limited to 75 percent of the total eligible costs.

Further, you are authorized to make changes to this declaration to the extent allowable under the Stafford Act.

Sincerely,

George W. Bush
